Re: Happy Jack

Dear Holland:

I spoke today with attorney Anderson, representing Atlas Minerals, and Carl Dixon of Atlas Minerals. I also checked with First Security Bank in Moab, and was told that the bank has sent your office most of the materials necessary for the bond, lacking only the signature card, which should be on its way soon. I am enclosing for your records a computer print out of the bond account that Mr. Petty has developed at First Security Bank, for your records.

I understand the Board holds meetings on August 1, and August 24, in which the transfer of the reclamation permits could be considered. If at all possible, please try and schedule the matter for the August 1 date. I will do everything I can to see that the final matter pertaining to the bond is completed as soon as possible. Attorney Anderson should be sending you some additional materials in the near future.

Please contact me if I can be of any assistance in moving this matter along. Thanks for your help on this.

Sincerely,

Eric P. Swenson
